

Appointed Actuary

Company: Navi General Insurance Limited

Location: Bengaluru (Corporate Office)

At NAVI, our mission is to build financial services that are simple, accessible and affordable.

NAVI is founded by Sachin Bansal & Ankit Agarwal to build consumer-centric & technology driven businesses in the BFSI (Banking, Financial Services & Insurance) space.

About Navi Group:

- We are a technology-driven financial products and services group in India focusing on the digitally connected young middle-class population of India. We have adopted a mobile-first approach, utilising our strong in-house technology and product expertise to build customer-centric products.
- Our offerings are under our “Navi” brand and include personal loans, home loans, general insurance and mutual funds. We also offer microfinance loans, through a wholly-owned Subsidiary, under the “Chaitanya” brand.

About Navi General Insurance

- With focus on retail health, Navi General Insurance has adopted a digital-direct retail health insurance model with focus on customer experience.
- Our direct-digital approach in health insurance allows us to address customer pain points with quick turnaround times, reduced costs, ability to innovate quickly, offer attractive pricing and enable affordability with subscription based premium payments.
- On retail health insurance - our mission is to reimagine the industry using technology, build products from scratch which can be adopted the next billion users.

Responsibilities: Leadership role in the general insurance business

Expectations:

- Strategic thinking
- Customer centricity
- Results oriented
- Collaborative mindset
- Business acumen
- Eligible to be Appointed Actuary as per Insurance Regulatory and Development Authority of India (Appointed Actuary) Regulations
