## 11<sup>th</sup> Webinar on Health Care Insurance

The Institute of Actuaries of India (IAI) is pleased to announce 11<sup>th</sup> Webinar on Health Care Insurance hosted by the Advisory Group on Health Care Insurance.

**Date:** 15 June 2024, Saturday

**Time:** 3:30 pm to 5:30 pm, IST

**Topics:**

1. **Premium Allocation Approach (PAA) assessment of the Health Insurance portfolio from an IFRS standpoint for applicability:** This session aims to provide technical training on Excel for the PAA approach, along with an assessment of the approach under IFRS, encompassing parameters and suitable assumptions for the entire portfolio.
2. **Global Funding Approaches for Population Health Care:** The presentation will seek to inform meeting participants about the 2020 International Health Care Funding Report and the ongoing research. It will consider recent impacts on health funding structures, transitions and transformations, considerations for population health and longevity improvements, and actuarial opportunities. The International Actuarial Association's Health Section prepared its 2020 International Health Care Funding Report in conjunction with the Society of Actuaries' International Section and the American Academy of Actuaries' Health Practice International Committee's support. The purpose of the report is to illustrate how the 36 contributing global actuaries' countries provide health care funding for their populations. This report is currently on the IAA website.

**Target Audience:** Fellows, Associates, Affiliates and Students across domains, Health Actuarial and Insurance professionals.
