

# WTW transforms tomorrows

## Yours can be next

We are now hiring experienced actuarial professionals in the insurance industry!

We have been growing at a fast pace in the last few years, so now is the right time for you to join us and be part of WTW's Insurance Consulting and Technology team.

### Opportunities

Do you want to use your actuarial skills to be at the forefront of innovating and transforming the insurance industry? Or are you excited about business automation and interested in combining your actuarial knowledge with your interest in technology?

We have roles in both Life and P&C domain where you can work beside some of the insurance industry's top thought leaders in India on designing and bringing to life cutting-edge solutions to solve some of our clients' greatest actuarial challenges – including IFRS17 implementation.

We have the right opportunity for you. Check out some of our open positions below:

- **Senior Actuarial Consultant – Life**, with 7 to 10 years of experience – know more [here](#)
- **Associate Director Actuarial Consulting – Life**, with over 10 years of experience – know more [here](#)
- **Senior Actuarial Consultant – P&C**, with 7 to 10 years of experience – know more [here](#)
- **Actuarial Consultant – Life Technology**, with 4 to 6 years of experience – know more [here](#)
- **Senior Actuarial Consultant – Life Technology**, with 7 to 10 years of experience – know more [here](#)

Do you think we are a good match? Apply today.  
Our Insurance Consulting and Technology team in Gurugram is looking forward to meeting you!

Help us grow our team further.

This is just the beginning!
