Brief on event

The IAI is pleased to announce a unique platform and seminar on **16th Current Issues Seminar on Health Care Insurance (CIHCI)** on **6th December 2024** at **Institute of Actuaries of India, Navi Mumbai**.

Aim of the event

Health insurance is an ever-evolving landscape shaped by regulatory shifts, technological advancements, and medical breakthroughs. As we ready ourselves for the future, it is also crucial to analyze impact of events like covid-19, Regulatory changes etc. To equip ourselves as proficient professionals in the burgeoning field of health insurance, we extend an invitation to join us. Let's collaborate, brainstorm, and collectively devise optimal solutions for the pressing issues of today and tomorrow

Topics to be covered:

- Recent Regulatory Changes, rationale behind, implications and future road ahead
- Impact of recent regulatory changes - Survey Findings by Milliman
- IIB - Power of Payer Data
- Emerging Health Risks and Trends: India's Path to 2047
- Key Learning from a Health Insurance Mutual for Insurers
- The short term and long impact of A.I. driven claims management in Health Insurance

Who Should Attend?

Anyone who wants to enhance his/her knowledge about Health Insurance Industry will benefit by attending this seminar. Those who are directly or indirectly associated with health insurance industry or would like to associate in future may take this opportunity to get better insights of the issues facing the industry with practical knowledge.

Presenters:

Experienced professionals, including distributors, actuaries, underwriters, consultants and insurtech founders with number of years of experience in health insurance industry would be participating in this current issue seminar and sharing their experiences and insights with the audience.
