

Procedure for Re-Evaluation

Objective:

The process underscores IAI's commitment to transparency and prompt resolution of discrepancies. Making an allowance for scripts to be re-evaluated, IAI aims to address potential inconsistencies in marking, aligning with its 'Students First' approach. This measure shall enable deserving candidates opt for review of their response(s) to select questions, fostering better accountability and trust in the assessment process.

Timeline:

Presently, the students receive their answer script and detailed marksheet within two working days of results being declared. The window for re-evaluation of any specific question shall be seven days from the date of release of answer script and detailed marksheet after which no requests shall be entertained. The stringent timeline is mandatory to ensure that only those genuine about the exercise file a request and cutting the infructuous ones to bare minimum.

Submission Process:

The re-evaluation request(s) must be submitted formally through respective member login or IAI website after paying the prescribed fees as tabulated below. Candidates must attach clear and substantive evidence during the process of putting in the request for re-evaluation; this may include references to indicative solution, prescribed study material in support of their request.

Candidates must note that any specific flaws, errors, or discrepancies in the indicative solution must be highlighted only as per 'Procedure for challenge of Indicative Solution' and not as part of re-evaluation.

Fees:

Subject	Fees
Core Principles - CS1B/CS2B/CM1B/CM2B	Rs. 500 per question
Core Practices - CP1A/CP1B/CP2A/CP2B/CP3	Rs. 700 per question
Specialist Principles/ Advanced (SP & SA Series)	Rs. 1000 per question

Note: Multiple Choice Questions (MCQ) format has been excluded from this process.

Outcome & Communication Timeline:

The outcome may possibly lead to an increase, reduction or no change in marks and the same shall be clearly communicated to all student members. The results shall be mailed to the concerned candidate within 3 weeks of the request window. Any change in the results post re-evaluation will also be published on IAI website. The student would also receive a feedback mail on their respective member mail id.

Note: Any extension in timelines due to unavoidable scenario(s) shall be notified by IAI accordingly.
