

11th Capacity Building Seminar in General Insurance (11th CBGI)

Advisory Group : Advisory Group on General Insurance
Date : 19th & 20th December 2024; Thursday & Friday
Time : 9:00 am to 6:00 pm
Venue : Insurance Institute of India, BKC, Mumbai

Introduction:

As a major step towards transition to Risk Based Capital framework from the present factor-based model, IRDAI had initiated the First Quantitative Impact Study (QIS-1). Basis the outcome of this study, the Authority has constituted working committee of Industry professionals to calibrate India specific risk-based factors for insurance risk and asset risk among others. The seminar focusses on the calibration techniques widely used to calibrate the different risk categories.

Further, as the general insurance industry moves towards adoption of Ind AS 117 lot of emphasis is towards selection of Ind AS 117 vendor. A discussion panel focusing on the key considerations by insurance companies who have finalized their Ind AS technology partners.

The seminar will also focus on the emerging trends within Indian Motor Third Party portfolio post the COVID-19 pandemic, Insurance Information Bureau of India (IIB) data and serves, feedback on Compliance Questionnaire etc.

Presenters: Actuarial professionals including Appointed Actuaries and Consulting actuaries, Chief Risk Officers, Risk Professionals, Regulator and Reinsurer.
