7th Webinar on Health Care Insurance

The Institute of Actuaries of India (IAI) is pleased to announce 7th Webinar hosted by the Advisory Group on Health Care Insurance.

Covid-19 has impacted insurance sector in multiple ways ranging from increased asset risk, higher volatility of claims and premiums to digitization of operations etc.

This has impacted the way actuaries are reserving for Covid-19 health claims due to distortion in claim trends. Also, covid-19 has short-term and long-term affects that needs to be allowed in risk pricing for retail and group health covers.

This webinar is expected to cover the potential impacts and the practical applications to estimate the impact on both reserving and pricing for Health Insurance.
