Brief on event

The IAI is pleased to announce a unique platform and seminar on 14th Current Issues Seminar on Health Care Insurance (CIHCI) on 13th October, 2022 at Hotel Sea Princess, Mumbai.

Aim of the event

All of us witnessed unprecedented time in last two and a half years in our personal and professional life. Health has been at the core in this testing time. Health Insurance has also seen rapid growth in this period for the obvious reasons. Now when thankfully pandemic is receding we should think over how we can prepare ourselves as professionals working in this sunrise industry to make the best use of the great opportunity ahead of us. This seminar is all about brainstorming the ideas about understanding issues and finding optimum solutions jointly.

Topics to be covered:

- Use of Credit and Alternative Data in Health Insurance
- Emerging Disease Trend post-Covid
- National Health Stack
- Issues and Challenges faced by Health Insurance Industry – Views of Regulator
- Insurtech focused on Health Insurance
- Transformation of Health Insurance through Data Science

Who Should Attend?

Anyone who wants to enhance his knowledge about Health Insurance Industry will benefit by attending this seminar. Those who are directly or indirectly associated with health insurance industry or would like to associate in future may take this opportunity to get better insights of the issues facing the industry with practical knowledge.

Presenters:

Experienced professionals with number of years of experience in health insurance industry would be participating in this current issue seminar and sharing their experiences and insights with the audience.
