CB3 June 2022 Examination – Registration announcement

Introduction:

CB3: Business Management Online Module involves students taking part in a ten day online business game, and submitting seven completed exercises. Students who take the online examination will be required to do advance study involving online tutorials, and also an online examination following the ten days business game.

The format of Business awareness

What does this subject cover?

The main content of this practical examination involves looking at:

- Industry developments and challenges - an overview covering all practice areas
- Strategic thinking - case studies and problem solving techniques
- Business game - supporting the learning objectives of the course
- Professionalism and ethics - principles and case studies
- Personal development - an overview of lifelong learning and work based skills
- Legal principles

Based on this you will need to do some advance study, which should take approximately 20 hours.

This consists of:

- Online tutorials
- Reading material to prepare for the business game
- A case study to analyze on strategic thinking

It is essential that you carry out all the advance work.

By the end of the ten day business game students will submit their seven completed exercises.

The formal examination will be available to you from **1st June 2022** onwards after completing the business game, and should take less than two hours to complete. You need to pass this Examination in order to pass CB3, demonstrating that you understood the principles covered in the online tutorials and the business game.
