ANNOUNCEMENT OF CP 2 (ACTUARIAL MODELLING) GUIDANCE AND SUPPORT PROGRAM

I. BACKGROUND

There are quite a good number of students who missed their Associateship, pending to clear CP 2 (Actuarial Modelling) examinations. There are few students who missed their Fellowship too. It has been observed that, there are repeated unsuccessful attempts made by most of them and still waiting for clearing CP2. The situation warrants a need for conducting series of Guidance, Support and practice sessions by involving an expert faculty member for those who are in need.

II. OBJECTIVE

The objective of the program is to engage candidates to practice and to enhance their confidence by identifying own strengths and weaknesses. The program includes, evaluation and discussion on performance of 3 sample tests by anonymously swapping answer scripts of participants and also by the faculty. The process is expected to identify areas of required improvement and practice, including time management.
