#### **I. ABOUT CLASS ROOM COACHING**

The IAI has been taking many initiatives for coaching and training of students to help them building the requisite skills. The Classroom coaching is meant to discuss on the difficulties of students and also embedding skills in order to overcome such difficulties so as to maximize marks in the actuarial exams. In that series, we are pleased to announce a 3 day Class room coaching program for our students appearing in CT2 paper in March 2018 examinations.

Though the IAI conducts regular online coaching programs, it appears that many of our students haven't utilised the facility so far. Hence, it may be appropriate to conduct a full-fledged class room coaching targeting, particularly those who were unsuccessful in the past.
