June 2020 Examination

Dear Students,

Hope you and your families are keeping well and healthy.

Government of India had announced lockdown and has further extended lockdown until 17 May 2020. It is expected that the social distancing norms shall remain intact even if the lockdown is removed. The situation is fluid and changing each passing day.

Given uncertainties emerging from COVID19 Pandemic, we are currently reviewing the guidelines issued by the Government and are under discussion with vendors, other stakeholders and decision makers to determine the way forward.

Looking at safety and security of our members and the scenario emerging in the country, it is very likely that the June 2020 examination may have to be rescheduled. We will make announcement immediately after a firm decision is taken in this regard.

We would like to assure our students that IAI is determined to take all suitable steps keeping in mind the best interest of our students.

Keep Healthy, Keep safe.
