December 15th, 2017

ANNOUNCEMENT

R- LEVEL II TRAINING
ON 9th -10th JANUARY 2018

I. ABOUT THE PROGRAM

The IAI has successfully conducted 2 batches of training program on **Level I 'R'** language in Dec 2017 in the office of the Institute. In continuation to that, another two day training program on **Level II 'R'** is being held on 9th -10th of January, 2018.

Though the targeted participants are all those who have completed the Level I training during December, other candidates those who have already acquired a basic knowledge in R can also register and make use of the program for their skill development. The extent of requirement of R in the future actuarial education curriculum are yet to be known fully, however the knowledge of R-Level II is expected to be useful in future actuarial curriculum as well as in day to day statistical and actuarial modeling work.

The batch size of this training program is limited to **40** seats only which is available on first come first serve basis to our members only. It is encouraged to register early before the registrations reaches to the full capacity.
