## 10<sup>th</sup> seminar on Current Issues in Health Care Insurance & and 4<sup>th</sup> Capacity Building Seminar in Health Care Insurance

**Date:** 15 – 16 February, 2017  
**Venue:** The Club, Mumbai  
**Timings:** 0900am - 0600pm

### Jointly Organized by Advisory Group on Health Care Insurance & Advisory Group on Sustainable Development and Microinsurance

**Brief on the Health Insurance Sector:** Health Insurance Industry is witnessing lot of activity with advent of New Entrants and New Products leading to innovative ways to influence customer behavior and establishing new dimensions of customer engagements. Given, the Industry is buzzing with positive excitement looking at current growth rates with strong potential to expand far more, it becomes pertinent to organize seminars where best brains of the industry can come together and share their learnings. Also, with renewed focus of current government and its initiatives on providing Health care to low-income population makes it equally important to discuss health care related issues and challenges attached to these sections of society and provision of care through different platforms.

### Objectives of the Joint Seminar:

In this unique program of its kind the advisory groups on Health & Care Insurance and Sustainable Development & Micro-insurance have come together to hold a joint seminar on current issues facing the industry. The stated seminar would be graced by the renowned leaders from the Industry to share their views on topics varying from emerging trends in healthcare in Insurance market to application of technology to engage customers and manage risk.

This is an effort by both the groups to synergize and facilitate discussions on key issues influencing the industry and explore efficient solutions.
