Background

Indian General Insurance industry has been going through exciting times. The industry has seen a consistent healthy growth, Companies have started listing on the exchange, M&A are happening and some more are on the cards, new companies have got license and some more are on the cards. Many regulations have been revised and new ones have been issued in 2016-2017.

Institute of Actuaries of India is happy to announce the 5th annual edition of the Current Issues in General Insurance seminar where some of the above topics will be discussed among the senior professionals of the industry.

The Seminar would focus on the following topics:-

1. CEO Panel Discussion: The road ahead for the Indian general insurance (GI) industry
2. IFRS 17: The implications for GI companies in India
3. New Reinsurance regulations: The new rules, opportunities and challenges
4. Claims Process Automation: Challenges and Opportunities
5. Insuretech: How can tech change the insurance landscape in India
6. Customer service in GI: some key pain areas and issues from the views of consumer, IRDAI, Intermediary, Insurer
7. Underwriting in GI: Evolution of underwriting techniques - from ancient to new age
8. Expense of management caps: where does the industry stand, challenges in achieving the cap ratio

Presenters: CEOs, CFOs, Appointed Actuaries, Regulator, senior consultants in GI, Reinsurer, Intermediary, Consumer activists, CRO etc.
