

The Advisory Group on Social Culture & Youth Affairs has scheduled 3rd IAI Connect.

Date: 20th August, 2014; Wednesday

Venue: Hotel Avion, Vile Parle East, Mumbai

Timings: 10:00am to 05:00pm

Background:

The Institute of Actuaries of India has felt the need of a medium which establishes a direct interaction between Student Members and the Institute. Thus keeping this in mind **Advisory Group on Social, Cultural and Youth Affairs (SC&YA)** has created a forum, '**IAI Connect**' to serve this purpose.

Actuarial students are not only faced with the tough actuarial examinations, but also a need to keep themselves abreast with the developments in the industry. IAI already has various forums such as the GCA, Current Issues Seminars organized by different advisory groups and other technical seminars to cover the latter, but the Institute's interaction, particularly with the young students, is observed to be less.

'3rd IAI Connect' is a day's workshop designed to address the above and to provide students more insight on the demands and developments of the profession.

We are thankful to **GIC Re** for their generous support to organize this event.

Who Should Attend: The seminar is only meant for IAI Student members.
