## ANNOUNCEMENT OF SP2 (LIFE INSURANCE) GUIDANCE AND SUPPORT PROGRAM

### I. BACKGROUND

The pass rate under the SP2 level subject in Life Insurance is just around 42% in the last two examination diets which ideally should have been much higher, given the level of preparations and repeated attempts by many students. It may be a lack of strategy and practice which caused the failure. In order to extend strategical guidance and support to all those are in need for the upcoming examination, a series of sessions are arranged by engaging an experienced Faculty.

### II. OBJECTIVE

The objective of the program is to make overall improvement in the ways of preparation, formation of exam strategies and to engage in practicing by addressing common mistakes, flaws and gaps which together leads to a failure. In simple format, it's about to know and practice "What are do's and don'ts" for converting failure to success.
