

The Advisory Group on ERM has scheduled the 2<sup>nd</sup> Seminar on Enterprise Risk Management

**Date: 11<sup>th</sup> December, 2013**

**Venue: Hotel Double Tree Hilton, Gurgaon**

**Timings: 9:00 am to 5:30 pm**

### **A brief on ERM:**

The seminar is being organized in the backdrop of tremendous change in the financial services industry, and in particular in the insurance industry. The economic and regulatory environment has seen significant change, new product regulations are being implemented in India, there is hope of new banking licenses and the distribution architecture is witnessing significant change as well. International changes to solvency and financial reporting will also be felt in India, and regulators the world over have stepped up their focus on risk management and governance issues.

### **The Seminar would focus on the following topics:**

Lessons for risk management; risks and opportunities in the insurance sector in India; a detailed session on how enterprise risk management can add value to business from various stakeholder perspectives including a round table discussion; a deep dive on the key risks and operational risk measurement and management.

### **Speakers:**

Following speakers are confirmed: **Mark Saunders** (Towers Watson), **Joshua Corrigan** (Milliman), **Marielle Theron** (Director, Max Life), **Peeyush Dalmia** (McKinsey).

### **Who Should Attend?**

1. Appointed Actuaries.
2. Professionals working in the insurance companies in particular in actuarial, risk management, audit, compliance, strategy, finance, underwriting departments.
