### Introduction:

The Institute of Actuaries of India (IAI) is pleased to announce the 7th CIGI Seminar. Over the last year, the Authority and Industry has worked together to introduce the next wave of reforms for the Insurance sector e.g. Risk Based Capital, IndAS-117, Expense of Management, Use & File Product Regulations. The actuarial fraternity is expected to play a pivotal role to ensure that the reforms can be implemented in a sound manner and achieve the objective envisaged to take the industry ahead. The objective of this seminar is to enhance the skills of the actuaries and other professionals working in the domain of the General Insurance. This seminar will help in bringing out the latest developments and best practices around Risk Based Capital and IFRS-17 and will provide participants with a practical perspective.

### The Seminar would focus on the following topics:-

- 1) Risk Based Capital - Technical Provisions and expected changes under India's RBC framework
- 2) IndAS-117 - Key focus areas

**Presenters:** Actuarial professionals including Appointed Actuaries and Consulting actuaries, Regulator, Reinsurer etc.

### Who Should Attend?

The seminar is open to all who wish to enhance their skills in General Insurance domain. Non-members are welcome to attend.
