7th Webinar in Risk Management (WRM)

Topic: Embedding Risk Appetite in decision making - Approach & Challenges

The Institute of Actuaries of India (IAI) is pleased to announce 7th Webinar hosted by the Advisory Group on Risk Management.

Date: 21st July 2022, Thursday
Time: 3.00 pm - 5.00pm, India time

Objective: Insurance is a business of managing risks and hence risk Management is a very critical and strategic part of an insurance business. It is imperative to embed risk management into decision making so that informed decisions are taken which helps a company to achieve its business targets while safeguarding the interest of its key stakeholders like policyholders, shareholder, regulator, employee, distribution, and others. Risk Appetite statement is an approach which provides the framework within which different risks are clearly stated, their measures articulated and most importantly, appetite of the company while managing these risks is defined. Risk Appetite statement is one of the most critical frameworks used to embed risk management in business decision making.

Target Audience: IAI members (Fellows, Associates, Affiliates, Students), Non-members. The webinar is open for all the professionals who have a keen interest in the topic.
