10th Webinar on Health Care Insurance

The Institute of Actuaries of India (IAI) is pleased to announce 10th Webinar on Health Care Insurance hosted by the Advisory Group on Health Care Insurance

Date: 31 May 2022, Tuesday

Time: 5:30 pm to 7:00 pm, IST

Topic: Making Sense of Health and Medical Spending: A Global Burden of Disease Primer

Objective: Actuaries' value when practicing in the health financing sector is enhanced by a comprehensive understanding of lifetime relationships between modifiable health risk factors, and, subsequent morbidity and mortality and their associated health spending. The Global Burden of Disease Study is a mature, ongoing international effort lead by the University of Washington (U.S.) Institute for Health Metrics and Evaluation to gather, evaluate, organize, and analyze comprehensive population health data for 195 countries. A familiarity with these data and GBD provides practicing actuaries with valuable insights that can enhance their professional abilities. This webinar is designed to provide Indian actuaries with an overview of GBD, its organization and methodology, and key GBD insights for India and the U.S.

Target Audience: Fellows, Associates, Affiliates and Students across domains, All Health and Life Actuarial and Insurance professionals.

Moderator: Mr. Sumit Ramani, Secretary, Advisory Group on Health Care Insurance, IAI

Speaker: Mr. Howard Bolnick, FSA, MAAA, Hon FIA
