## 4<sup>th</sup> Webinar on Health Insurance

The Institute of Actuaries of India (IAI) is pleased to announce 4<sup>th</sup> Webinar hosted by the Advisory Group on Health Insurance.

It has always been our endeavor to invite the best speakers from India and abroad who can share their rich experience with the participants. In line with our practice we are inviting two very eminent speakers to talk about their experience in UK and US markets.

The first session is about the implications Risk Based Capital regime for Health Insurance Line of Business. The topic is particularly relevant for us as India has plans to embark on this journey soon.

The second session will cover how COVID-19 disrupted and altered the way healthcare is delivered in the United States. This session will focus on the challenges actuaries are facing as they develop financial projections, pricing, renewal formulas as well as estimates on risk adjustment factors, and how they are being addressed.

Date - December 18, 2020, Friday

Time: 1700 - 1900 IST

Topics: 1. What does RBC mean for health insurers? Some lessons from Solvency II

2. COVID-19: Impacts on the U. S. Healthcare Industry and how to compete successfully in the new normal
